We couldn't be happier with the incredible service we received from Suky and Gurpreet for our wedding in March. From start to finish, they were accommodating, professional, and always available to answer any questions we had. Their dedication went above and beyond—not only on the day itself but also before and after the wedding.

They truly helped bring our vision to life with a fantastic setup and brilliant lighting display.

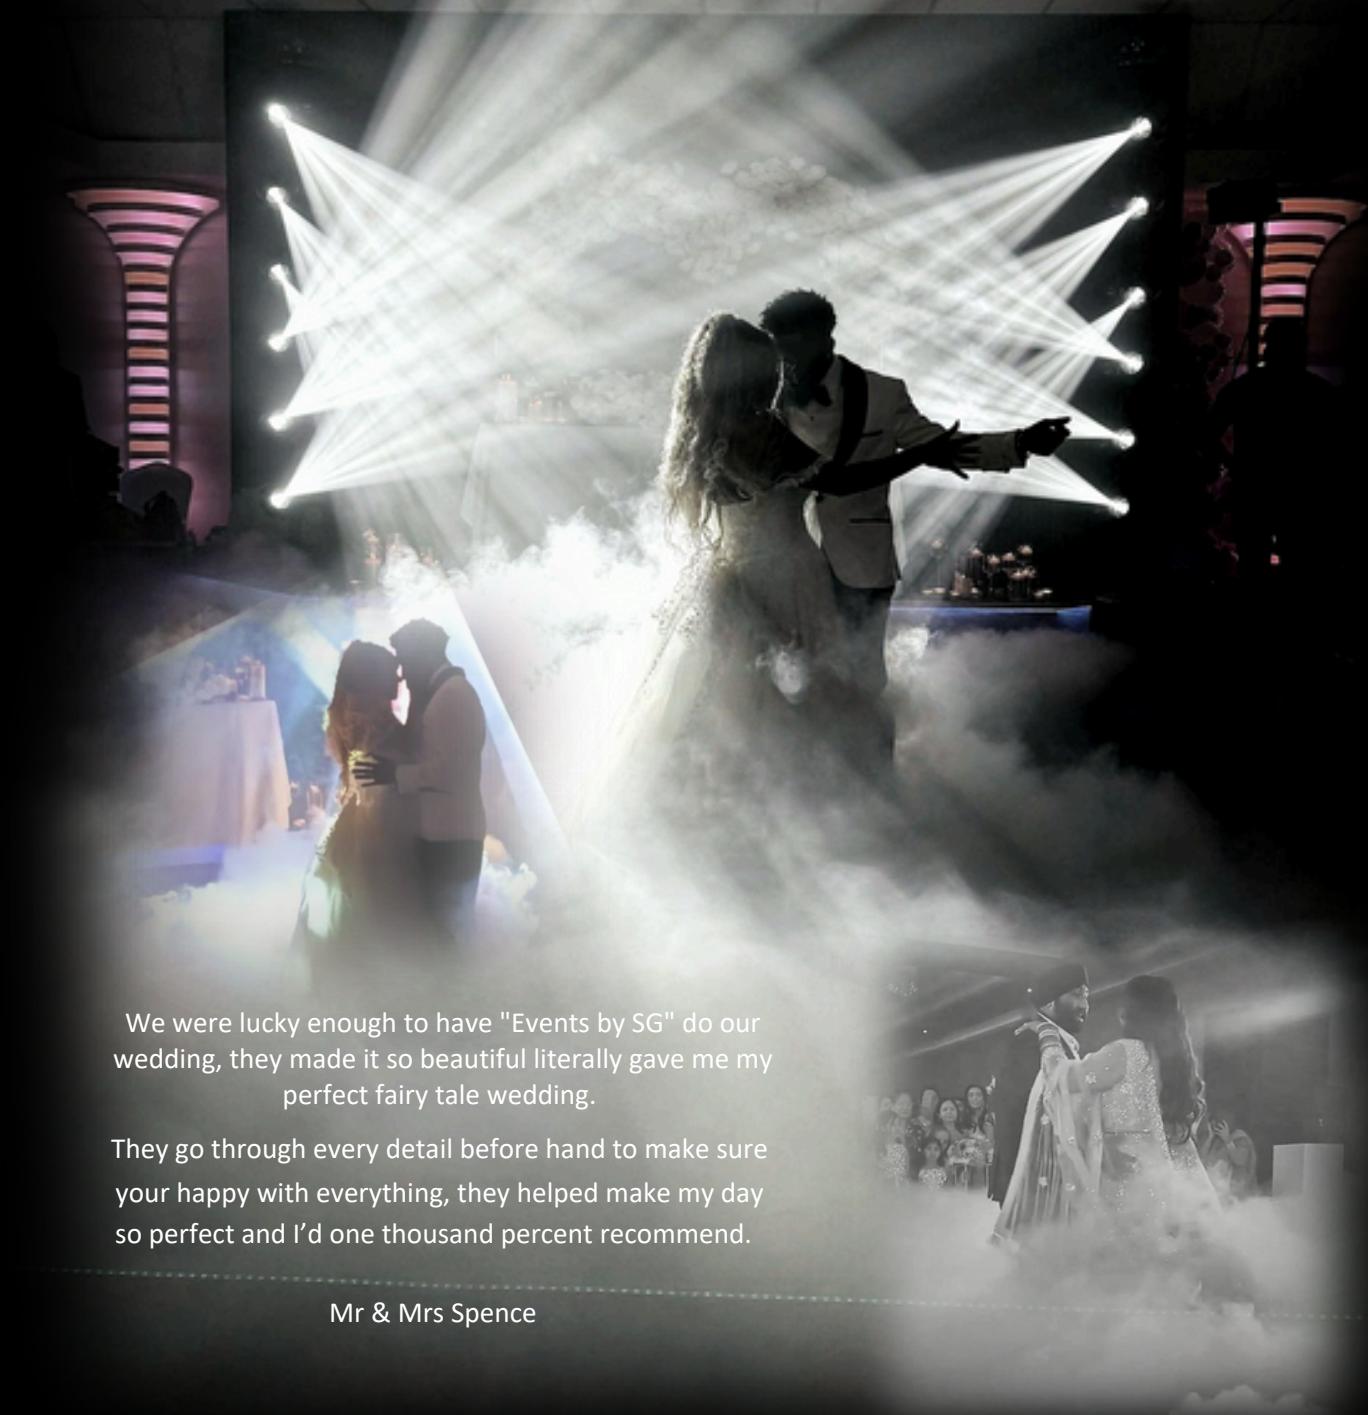

On the wedding day, they handled everything seamlessly, demonstrating exceptional understanding and consideration when the groom fell ill. Despite this challenge, Suky and Gurpreet were always there when we needed them.

Not only are Suky and Gurpreet fantastic at what they do, but they are also down-to-earth, friendly, and genuinely care about their clients. If you're looking for an AV company that is professional, reliable, and a pleasure to work with, we would absolutely recommend Events by SG
